Hi Kelley – Attached to this email is the latest IRIS Ethylene Oxide (EtO) AO Internal factsheet. If you have any questions, don't hesitate to let me know.

Best,

Dahnish

Hello Kathleen

I was looking through my email and couldn't find the IRIS fact sheet for ethylene oxide (EtO). Can you send that to Mark and I?

Thank you,

KS

Subject: IRIS assessment factsheets

Hi Noha and Kelley –

Attached are factsheets for several IRIS assessments. There are new factsheets for hexavalent chromium, diethyl phthalate, hexabromocyclododecane, and inorganic arsenic; there are updated factsheets for ammonia, trimethylbenzenes, and benzo[a]pyrene.

These have been reviewed within NCEA and ORD's IOAA. Please let me know if you have any questions.

Thanks,
